# making BIORhyme 2016\*

When people take  
Fusing Clarendon with ATF's Boston Breton,  
to do dignified acts  
adding a dash of typewriter mono-spacing,  
while to take a little  
multiplying by a factor of WIDE, extra-light,  
allow the dignity to  
and extra-quirky, and you have BioRhyme!  
to all concerned.
